

TOMIWA

Jegede

Front-End Web developer

About Me

I'm a front-end developer passionate about building fully responsive websites for all screen sizes. With a keen eye for design and usability, I focus on creating smooth, user-friendly web experiences.

While still growing my expertise, I strive to write clean, efficient code and bring designs to life with modern web technologies.

Skills:

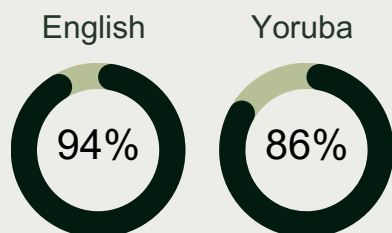

HTML	90%
CSS	80%
JAVASCRIPT	70%
GIT	84%

Education:

Redeemer's University, Osun State,
Nigeria

Bachelor of Science (B.Sc.) in Computer
Science | 2024 – 2028

Language:

Professional Experience:

Junior Front-End Developer.

June 2023 – May 2024 | Personal
Project. Oramo Website Replica

- Designed and developed a fully responsive replica of the Oramo website using HTML, CSS, and JavaScript.
- Implemented an interactive image slider, smooth navigation, and a structured product layout for a seamless user experience.
- Focused on mobile responsiveness to ensure optimal performance across all screen sizes.
- Demonstrated strong front-end development skills and attention to detail in UI/UX design.

Junior Front-End Developer.

January 2025 – Present | Personal
Project. Personal Portfolio Website

- Designed and developed a fully responsive portfolio website using HTML, CSS, and JavaScript to showcase my skills and projects.
- Implemented a modern, user-friendly interface with smooth navigation and engaging animations.
- Optimized for mobile and desktop devices, ensuring seamless accessibility across all screen sizes.
- Integrated Git for version control, maintaining a structured and efficient development process.
